

## Deputy PCC visits Oakham

### Patchwalk

Deputy Police and Crime Commissioner, Kirk Masters, joined Councillor Alan Walters, Rutland County Council Deputy Chief Executive John Morley, PCSO Nicole Welsh and Sergeant Darren Richardson on a patch walk in Oakham.

During the walk Mr Masters visited Oakham Bus station which has been subjected to anti-social behaviour (ASB) but, as a result of some great partnership working, the ASB has been reduced with joint visits by PC 1312 Joe Lloyd and Rutland County Council Community Safety Team to identified perpetrators home addresses and contact their parents.

## New Year, new technology!

### Pronto!

All Rutland officers are now equipped with technology to allow them access to the most frequently used police systems at the touch of a button. The new 'Pronto' system enables officers to access systems which let them to record crime, access the latest police information and conduct intelligence checks.

So, what does this mean to our communities?

Simply put, our officers will be 'out and about more' rather than having to return to the station to record crime and update systems. The picture to the left shows PC 1312 Joe Lloyd not only using the technology whilst out and about but in true 'multi-tasking' style, eating his lunch too!!!

## Man charged with car theft offences

Great work by PC 1742 Laurie Appleton who has worked tirelessly over the past six months to reduce theft from motor vehicles in and around Rutland Water.

Twenty year old Connor Parker of Lockerley Road, Hampshire was arrested in Lincolnshire. He was charged with theft of motor vehicle and two fraud offences in Stamford in connection with the use of a stolen bank card. Parker was remanded into custody to attend court.

PC 1742 Laurie Appleton

## Do you know your neighbourhood team?

Sgt 1847 Darren Richardson  
Neighbourhood Policing Sergeant for Rutland

PC 1312 Joe Lloyd -  
Designated Neighbourhood officer for Oakham and Barleythorpe
